15. Drum6	mic

Requested from venue:
- 4x Boom Mic stands for VOX
- 120v power where indicated
- 16 input snake run to back of **our digital mixer** case
- House Drums okay if mic'd
- We mix our own in-ear monitors

Notes: All VOX **mics** & **instruments** are wireless and accessed as XLRs at the back of **our digital mixer.**
Drum mics are routed through our mixer; or directly to FOH if they give us back a drum stereo mix.
XLR 1-4 are vocal mics :: XLR 5-9 are instruments :: *XLR 10-15 are drum mics*
